Docket No.: 109589

For: SHAPE MEASUREMENT DEVICE

**PETITION IN RESPONSE TO NOTICE OF OMITTED ITEMS IN A
NON-PROVISIONAL APPLICATION**

RECEIVED

SEP 19 2001

OFFICE OF PETITIONS

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

The Notice of Omitted Items in a Non-Provisional Application mailed July 23, 2001 in this application indicated that Figure 9 was not filed with the application on May 24, 2001. A copy of the Notice is attached. This Petition is in accordance with Option I in the Notice.

It is respectfully submitted that the Notice is in error because Figure 9 was filed with the application on May 24, 2001.

Attached to this communication is a copy of the U.S. Patent and Trademark Office postcard acknowledgement of receipt, acknowledging receipt of all of Figures 1-13B. It is respectfully submitted that Figure 9 was part of Figures 1-13B submitted on May 24, 2001, and that the U.S. Patent and Trademark Office acknowledged receipt of all of Figures 1-13B on May 24, 2001.

It is acknowledged that our postcard acknowledgment of receipt indicates that 12 sheets of figures were provided on May 24, 2001 and that Figures 1-13B would constitute 13 sheets. However, it is respectfully submitted that: 1) Figure 9 was included in the receipt of Figures 1-13B; 2) the U.S. Patent and Trademark Office acknowledged receipt of Figures 1-13B; and 3) the postcard acknowledgement of receipt erroneously referred to 12 sheets instead of 13 sheets.

For the convenience of the U.S. Patent and Trademark Office, enclosed is another copy of Figure 9. However, it is noted that Option II in the Notice is not elected. It is intended to maintain the May 24, 2001 filing date.

Attached is our check number 121378 in the amount of \$130.00 for the petition fee under 37 CFR 1.17(h). In addition, the U.S. Patent and Trademark Office is authorized to debit Deposit Account No. 15-0461 in the amount necessary to effect filing of this Petition. However, it is respectfully submitted that the Petition fee should be refunded because Figure 9 of the formal drawings was received by the U.S. Patent and Trademark Office on May 24, 2001.

Respectfully submitted,

James A. Oliff

NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Figure(s) 9 described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h)) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) OR (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (i.e., the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.

*A copy of this notice **MUST** be returned with the reply.*
